Our Story

Our culture continues to chip away at America's most basic religious liberties, despite the protections of the First Amendment. Consider the deconstruction of marriage, the cheapening of life, and a public education system increasingly hostile to the Judeo-Christian worldview.

For the sake of our communities and the church, we must engage! Such engagement must be on God's terms. God engages the world in two ways—to preserve it and to save it. Two Kingdoms, yet one mission—to bless the world now and forever.
