Educating Laity in Two-Kingdom Engagement

Champions Academy is a Tool

Our culture continues to chip away at America's most basic religious liberties, despite the protections of the First Amendment. For the sake of our communities and the church, we must engage our culture. Such engagement must be on God's terms. God engages the world in two ways—to preserve it and to save it.

Two Kingdoms, yet one mission—to bless the world now and forever.

The Toolchest

Each group in our network is called a Champions Chapter.

- **Toolkit** - Each Chapter is enrolled with a toolkit filled with the educational resources and set of communication apps that allow for excellence in staying in touch with the Network Staff and even Facilitators of other Champion Chapters.
- **Connections** - Building this network across the country, we want our individual chapter leaders to have the ability to communicate with one another from place to place and state to state.
- **Facilitators** - 4-5 Chapter Facilitators are recruited and enlisted with the help of Champions Network Director and Pastor of the congregation. This ensures that many hands make for light work in leading the Chapter.

Group Session 10

DEVOTED TO SCRIPTURE AND PRAYER

"For he is God's servant for your good. But if you do wrong, be afraid, for he does not bear the sword in vain. For he is the servant of God, an avenger who carries out God's wrath on the wrongdoer." *(Romans 13:4)*

VIDEO DEVOTION "Bearing the Sword for Good Reason"

1. What does this mean, "avenger who carries out God's wrath…?"
2. How might this verse apply to the Death Penalty in the United States?
3. Can you be both "pro-life" and "pro-death-penalty" Yay or Nay? Why?

The Educational Resources

1. Resources are batched into Session Themes. We plan on 10 Sessions for each year.
2. Chapters facilitate and adapt each Session Meetings for their participants. Chapters choose to meet at least once a month, but others meet more frequently.
3. Each Session includes a Group Discussion Guide with tutorial videos and one or more discussion handouts. Each Session also includes Home Study Guides that supplement the Group time, allowing for each participant to increase their knowledge also on their own. We encourage participants to read a little bit each day and slowly build their ability to one day be a great advocate.
4. The Group facilitates a Community Action Plan through the first year and assigns some easy objectives to participants. The Key to being a faithful two-kingdom advocate is prayerfully seeking to differentiate just how God may be engaging people in the lefthand kingdom. This assumes that Champions are doing a lot of listening and praying before engaging to bring about what seems like a better way.
