Educating, Inspiring, & Encouraging Two-Kingdom Laity

The LCRL Champions Network

The Champions Network is a vibrant community of people who are learning, growing, praying, and challenging one another to engage their local communities with a two-kingdom set of principles.

Our Mission

Our mission is to inspire and equip individuals who are dedicated to making a difference in their congregations, schools and communities. By championing religious liberty for all, amplifying the LORD's voice in the lefthand as well as righthand kingdoms, we seek to put our temporal liberties to work for the greater, eternal liberties of the Gospel for all.

Who We Are

- Common People: Congregants, Citizens, people who love the LORD and the liberties that He alone can provide.
- Advocates: Individuals committed to speaking into the culture and the church the two-kingdom principles that uphold religious liberty, sanctity of life, educational freedom, echoing the voice of God that both preserves and saves.
- Connectors: Champions who build bridges into the community and into community organizations, local government, local agencies, state and federal as God blesses us accordingly.

What We Offer

1. The Champions Academy: A one-year, two-year, or three-year set of educational resources for learning, discussing, praying, and engaging others in a humble but deliberate way.
2. Networking Opportunities: Connect with other Champion Chapters, Individuals, State Legislators, and Federal Legislators through our connections on The Hill.
