

A NEW CHAMPIONS CHAPTER · LIBERTY, MO 64068

LEARN TO SPEAK FOR YOUR FAITH **WITHOUT PICKING A FIGHT.**

St. Stephen is starting a Champions for Religious Liberty chapter — eight Wednesday evenings to get equipped, with neighbors from across the Liberty area at the table.

WHY THIS CHAPTER, AND WHY NOW

Religious liberty is not an abstraction in Liberty. It arrives in a school board meeting, a workplace policy, a conversation across the fence — and almost never with any warning.

This chapter is where a congregation gets ready together, **before** that moment comes, instead of each member working it out alone afterward.

The ask is simple: eight evenings on your calendar, and a seat in the room.

WHAT YOU'LL ACTUALLY LEARN

The Champions Academy trains ordinary Christians to speak clearly about religious liberty — distinguishing God's **left-hand kingdom** from His **right-hand kingdom**, engaging the culture with humility rather than heat.

Eight guided evenings on life, marriage, education, and the First Amendment. No prior study required.

By doing good you should silence the ignorant talk of foolish people.
